WorleyParsons awarded a master services agreement by Bruce Power

WorleyParsons has been awarded a master services agreement with Bruce Power LP, a nuclear power generator in Ontario Canada.

Under the agreement, WorleyParsons will provide design integration support services for Bruce Power's Life-Extension Program, which will allow the site to provide 30% of Ontario's electricity through 2064. The term of the agreement is seven years with options for two additional one year terms. The services will be executed by WorleyParsons' Canadian offices.

"We are delighted that Bruce Power has chosen WorleyParsons and we look forward to growing our relationship with Bruce Power and supporting their Life-Extension Program," said Andrew Wood, Chief Executive Officer of WorleyParsons.
