Annex 1

For the purposes of the Notes only, a new Condition 6(g) shall apply as follows:

“(g) Step Up Rating Change or Step Down Rating Change

(iii) The Rate of Interest payable on the Notes will be subject to adjustment from time to time in the event of a Step Up Rating Change or a Step Down Rating Change as follows:

(A) if the Notes are assigned a credit rating from the two Rating Agencies of Baa1/BBB+ (or equivalent) or better as at any Interest Payment Date, the Rate of Interest payable on the Notes in respect of the Interest Period commencing on such Interest Payment Date shall be the Coupon (as defined above) (the **“Initial Rate of Interest”**). For the avoidance of doubt, the Rate of Interest payable on the Notes shall remain at the Initial Rate of Interest, notwithstanding any increase in the rating assigned to the Notes above Baa1/BBB+ (or equivalent);

(B) if in the Interest Period ending on the date immediately prior to an Interest Payment Date:

(a) either Rating Agency has announced a Step Up Rating Change, the Rate of Interest shall be adjusted such that the Rate of Interest, with effect from the Interest Period commencing on such Interest Payment Date (subject to any further adjustment pursuant to this Condition 6(g)), for each subsequent Interest Period thereafter, will increase above the Initial Rate of Interest by an amount per Rating Agency equal to the percentage set out opposite the applicable lower rating of the Notes assigned by that Rating Agency in the table below:

Rating (or equivalent)	Applicable percentage adjustment per Rating Agency
Baa2/BBB	0.25
Baa3/BBB-	0.50
Ba1/BB+ (or lower)	1.00

For the avoidance of doubt, should one Rating Agency announce one or more Step Up Rating Changes that in aggregate result in the rating assigned to the Notes by that Rating Agency being Ba2/BB or lower (or equivalent), no further increase in the Rate of Interest above the Initial Rate of Interest plus 1.00 per cent. shall occur in respect of Step Up Rating Changes announced by that Rating Agency.

Accordingly, if one Rating Agency assigns a rating of Ba2/BB or lower (or equivalent), the Rate of Interest payable on the Notes shall be the Initial Rate of Interest plus 1.00 per cent. If both Rating Agencies assign ratings of Ba2/BB or lower (or equivalent) the Rate of Interest payable on the Notes shall be the Initial Rate of Interest plus 2.00 per cent.;

(b) either Rating Agency has announced a Step Down Rating Change which change remains in effect on the relevant Interest Payment Date, the Rate of Interest shall be adjusted such that the Rate of Interest, with effect from the Interest Period commencing on such Interest Payment Date (subject to any further adjustment pursuant to this Condition 6(g)), for each subsequent Interest Period thereafter, will decrease by either:

- (i) 0.25 per cent. per notch per Rating Agency for each notch above the rating which is assigned by that Rating Agency to the Notes immediately prior to the announced Step Down Rating Change (the “**Base Rating**”) if the Base Rating was at such time at Baa3/BBB- (or equivalent) or higher; or
- (ii) an initial 0.50 per cent. per Rating Agency if the Base Rating was at such time Ba1/BB+ (or equivalent) or lower plus an additional 0.25 per cent. per notch per Rating Agency for every notch the newly assigned rating is above Baa3/BBB- (or equivalent);

until the Rate of Interest equals the Initial Rate of Interest (and for the avoidance of doubt, the Rate of Interest shall never be less than the Initial Rate of Interest);

(C) if on any Interest Payment Date a credit rating is:

- (a) assigned to the Notes by only one Rating Agency (and for so long as this remains the case), any increase in the Rate of Interest of the Notes necessitated by a reduction in the rating by that Rating Agency shall be twice the applicable percentage set forth in this Condition 6(g)(i); or
- (b) not assigned to the Notes by both Rating Agencies, the Rate of Interest applicable to the Notes in respect of the Interest Period commencing on such Interest Payment Date shall be the Initial Rate of Interest plus 2.00 per cent. until such Interest Payment Date on which there is once more a rating assigned to the Notes by at least one Rating Agency whereupon, from and including such Interest Payment Date, the Rate of Interest shall be determined in accordance with the provisions of this Condition 6(g)(i); and

(D) if in any Interest Period one or more Step Down Rating Changes and/or Step Up Rating Changes occurs, the Rate of Interest applicable to the next following Interest Period shall be determined based on the ratings in effect as at the end of such Interest Period.

- (i) The Issuer shall use its reasonable endeavours to maintain a credit rating for the Notes assigned by two Rating Agencies. If, notwithstanding such reasonable efforts, such Rating Agency or Rating Agencies fail to or cease to assign a rating to the Notes, the Issuer shall use its reasonable endeavours to obtain a rating of the Notes from another Rating Agency or another two Rating Agencies, as the case may be, and references in this Condition 6 to a Rating Agency, or the ratings assigned thereby, shall be to such Rating Agency or, as the case may be, the equivalent ratings thereof.
- (ii) Notwithstanding any other provision of this Condition 6, there shall be no adjustment in the Rate of Interest applicable to the Notes on the basis of any rating assigned to the Notes by any rating agency other than on a basis solicited by or on behalf of the Issuer even if at the relevant time such rating is the only rating then assigned to the Notes.
- (iii) There shall be no limit on the number of times that adjustments to the Rate of Interest payable on the Notes may be made pursuant to this Condition 6 during the term of the Notes, provided always that at no time during the term of the Notes will the Rate of Interest payable on the Notes be less than the Initial Rate of Interest or more than the Initial Rate of Interest plus 2.00 per cent. per annum.
- (iv) The Issuer will cause the occurrence of an event giving rise to an adjustment in the Rate of Interest payable on the Notes pursuant to this Condition 6 to be notified to the Trustee and the Principal Paying Agent and notice thereof to be given in accordance with Condition 15 (*Notices*)

as soon as possible after the occurrence of the relevant event but in no event later than the fourth Business Day thereafter.

(v) In these Conditions:

“Moody’s” means Moody’s Investors Service and its successors or affiliates;

“Rating Agency” means each of S&P and Moody’s and, only in the event that the Notes have ceased at any time to have a rating assigned to them by any of S&P and Moody’s, any other credit rating agency of equivalent international standing specified from time to time by the Issuer and, in each case, their respective successors or affiliates, and together, the **“Rating Agencies”**;

“S&P” means Standard & Poor’s Rating Services, a division of The McGraw-Hill Companies, Inc. and its successors or affiliates;

“Step Down Rating Change” means the public announcement by any Rating Agency assigning a credit rating to the Notes of an increase in, or confirmation of, a higher rating of the Notes but does not include any increase or confirmation of credit rating where the increased or confirmed credit rating is Ba1/BB+ (or equivalent) or lower; and

“Step Up Rating Change” means the public announcement by any Rating Agency assigning a credit rating to the Notes of a decrease in, or confirmation of, a lower rating of the Notes.”

Annex 2

“RBA Bond Basis” means, if RBA Bond Basis is specified, one number divided by the number of Interest Payment Dates in a year (or where the Calculation Period does not constitute an Interest Period, the actual number of days in the Calculation Period divided by 365 (or, if any portion of the Calculation Period falls in a leap year, the sum of:

- (a) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366; and
- (b) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365)).
