ASX RELEASE

## AQUABOTIX JOINS SENEDIA ALLIANCE

---

**UUV Aquabotix Ltd (ASX:UUV)** ("Aquabotix" or the "Company") today announces that it has joined the Southeastern New England Defense Industry Alliance ("SENEDIA" or the "Alliance"). SENEDIA seeks to identify, champion and coordinate issues that contribute to the national security of the United States, with a particular focus on thought leadership and technical innovation in undersea technologies. Its membership includes a range of relevant organizations, including such industry leaders as BAE Systems, Raytheon and Lockheed Martin.

This Alliance supports open dialogue and increased engagement between the United States industrial base and Department of Defense and Department of Homeland Security, and participation in SENEDIA supports Aquabotix's goal of continuing to strengthen its ties to these customer groups.

Aquabotix's CEO, Whitney Million, commented, "Joining SENEDIA affords Aquabotix access that is difficult for non-members to gain. Our inclusion in this Alliance firmly bolsters Aquabotix as a contributor of the defense community and policymaker ongoing dialogue."
