**VGI Partners Global Investments Limited (VG1) investment in Brisbane Markets Limited (BML)**

The Board of VG1 is delighted to announce that VG1 has committed to acquire a \$7.8 million stake in an unlisted public company, Brisbane Markets Limited (BML), representing approximately 1.3% of the VG1 portfolio. VG1's acquisition is part of a larger transaction whereby funds managed by VGI Partners, the Manager, will increase their collective holding in BML from 2.2% to 18.8%.

The Manager knows and understands the BML business very well with funds managed by VGI Partners having owned an existing stake in BML since 2012. The Manager believes that this investment is a unique opportunity for VG1 investors to gain exposure to a business which has the potential to materially improve its performance.

VGI Partners looks forward to acting as an advocate for further operational and governance improvements at BML for the mutual benefit of all BML shareholders.
