1.1. Unit Trading Policy

The Board has established the following policy to apply to trading in the Fund's units on the ASX. This policy applies to those persons defined below as Restricted Persons of the Fund.

Restricted Persons to whom this policy applies must restrict their buying and selling of Fund's units within the Fund trading window established by this policy.

In addition to the requirements of this Unit Trading Policy, all Restricted Persons (as defined below) must also comply with the Insider Trading Policy for the Fund.

1.2. Executive restrictions on trading

This Unit Trading Policy and the restrictions on trading in units of the Fund set out below applies to the following representatives of the Fund (**Restricted Persons**):

- (a) the Board;
- (b) Directors and Secretary of any entity controlled by the Fund;
- (c) any person who is entitled to receive equity performance rights and/or options as part of any equity incentive based scheme of the Fund;
- (d) the Secretary; and
- (e) Executives.

The Restricted Persons are to be subject to restrictions on trading in the Fund's units at certain times of the year. Restrictions also apply where any Restricted Person is exposed to inside information in the course of their duties in accordance with the Insider Trading Policy.

1.3. Associated Parties

Each Restricted Person has a personal responsibility to ensure that his or her "associated parties" (being immediate family (including a spouse (or equivalent) or dependent), family company or trust) complies with the same respective restrictions as apply to Restricted Persons.

1.4. Prohibition on Executives dealing in units

Restricted Persons as defined in section 1.2 are prohibited from dealing in units of the Fund during a trading blackout (unless otherwise agreed by the Board of the Responsible Entity).

As the Fund is a listed investment scheme which announces its Net Tangible Assets (NTA) at least weekly on the ASX, the Board of the Responsible Entity has formed a view that Unitholders are generally fully informed.

The Responsible Entity may from time to time announce further periods of trading blackouts under this Policy as required. Discretionary trading blackouts will be communicated to Restricted Persons by the Secretary.

For the avoidance of doubt, it is emphasised that Restricted Persons may not deal at any time whilst in the possession of "inside Information".

1.5. Board of Directors' discretion

The Board has an absolute discretion to place an embargo on Restricted Persons and/or employees and/or their respective associated parties trading in the Fund's securities at any time.

1.6. Notification rules in relation to dealing in units

Restricted Persons are required to notify the Fund of intended dealings in securities, by themselves or their associated parties, of the Fund prior to such intended dealings. This should be done by written notice to the Company Secretary outlining:

- (a) name of security holder;
- (b) type of proposed transaction (purchase, sale, etc.); and
- (c) number of securities involved.

The Company Secretary may confer with the Chairman of the Boards in relation to any proposed dealing.

1.7. Directors to notify ASX of unitholding

The Directors of the Fund are required to complete, or request that the Secretary complete necessary forms to the Fund to be filed with the ASX in respect of their unitholding in the Fund for the purposes of section 205G of the Corporations Act and the Listing Rules.

1.8. Exceptional Circumstances

Where, in exceptional circumstances, and it is the only reasonable course of action available to a Restricted Person (e.g. a pressing financial commitment that cannot be satisfied otherwise) clearance may be given for the Restricted Person to sell (but not to purchase) units in the Fund when that person would otherwise be prohibited from doing so.

In this section 1.8, "exceptional circumstances" means severe financial hardship, a court order (or court enforceable undertaking), or some other overriding legal or regulatory requirement, to transfer or sell units in the Fund, or other circumstances that may be deemed exceptional by the Board. For example, a Restricted Person may be in severe financial hardship if he or she has a pressing financial commitment that cannot otherwise be satisfied.

The Board may not give clearance under the exception in section 1.8 if there is a matter about which there is inside information in relation to units in the Fund (whether or not the Restricted Person knows about the matter) when the Restricted Person requests clearance or proposes to deal in units in the Fund.

The Board will decide if circumstances are exceptional. Any clearance given by the Board in accordance with section 1.8 must be in writing (which may be in the form of an email). The Board must determine, and specify in the written clearance, the maximum duration of the clearance. Trading not subject to this Trading Policy

The following dealings are not subject to the provisions of this Unit Trading Policy in respect of the Fund:

- (a) undertakings or elections to take up entitlements under a rights issue or other offer (including an offer of units in lieu of a cash dividend);

- (m) where a Restricted Person is a trustee, trading in the securities of the entity by that trust provided the Restricted Person is not a beneficiary of the trust and any decision to trade during a prohibited period is taken by the other trustees or by the investment managers independently of the restricted person; and
