

KEY APPOINTMENTS STRENGTHEN EGANSTREET'S MANAGEMENT TEAM AS THE COMPANY PREPARES FOR DEVELOPMENT OF ROTHSAY

New appointments to fill key management and construction roles

Egan Street Resources Limited (ASX: EGA) ("**EganStreet**" or the "**Company**") is pleased to announce that it has recruited two experienced executives to fill senior management roles at its 100%-owned Rothsay Gold Project in WA's Midwest region.

Mr Jed Whitford has been appointed as General Manager – Rothsay. Mr Whitford is a Mining Engineer with extensive experience in the mining and extraction of precious and base metals, having held senior roles in Operations, Site Management, Project Development, Project Management, Construction, Business Development, Process Safety and Risk Management. He has worked with companies including WMC, Gold Fields Australia, Lionore, Western Areas, Jubilee and Xstrata.

Mr Jason Davis has been appointed as Project Manager – Rothsay. Mr Davis is an experienced engineer and project delivery professional with over 18 years' experience in complex project delivery across a number of sectors in both Australia and the United Kingdom. His experience incorporates highly technical complex infrastructure projects including London Bridge Rail Station (Thameslink).

EganStreet Managing Director Marc Ducler said these appointments will be extremely valuable as we deliver the DFS and advance the development of a high-grade gold operation at Rothsay Gold Project.
