**ASX Release**

**Firm Commitments Received to Raise \$250,000 Before Costs**

3D Resources Limited ("Company") wishes to advise it has received firm commitments for the placement of 62,500,000 fully paid ordinary shares at \$0.004 (0.4cents) raising \$250,000 before costs which will be allocated to general working capital for uses including the assessment of new opportunities for the company to invest in.

The Company has also agreed to issue one free attaching listed option for every two fully paid ordinary shares subscribed for; resulting in 31,250,000 listed options with an exercise price of \$0.007 (0.7 cents) and an expiry of 17 December 2019 to be issued.

A further 3,00,000 listed options with the same terms and conditions as above will be issued as part settlement of the commission payable to Baker Young Stock Brokers in relation to the capital raising.

The share and option issues will be undertaken in accordance with ASX Listing Rule 7.1, utilising a portion of the Company's placement capacity.

Funds are expected to be received early in the week beginning 11 June 2018 and upon receipt the relevant Appendix 3B will be issued in relation to the placement.
