Dear Ben,

### **EXTENSION OF VOLUNTARY SUSPENSION**

Further to the initial request for a voluntary suspension made on 14 June 2018, and pursuant to Listing Rule 17.2 Elixir Petroleum Limited (ASX: EXR) (the “Company”) requests an extension of the voluntary suspension in the trading of its securities pending an announcement by the Company with respect to the status of the Nomgon IX Production Sharing Contract and the timing of its potential award to Golden Horde LLC.

The Company requests that its securities remain in voluntary suspension until the earlier of the release of an announcement to the market regarding the status of the Nomgon IX Production Sharing Contract and the timing of its potential award to Golden Horde LLC, or the commencement of normal trading on Wednesday, 4 July 2018.

The Company is not aware of any reason why the extension to the voluntary suspension should not be granted or of any other information necessary to inform the market about the voluntary suspension.

Yours sincerely
