Dear Wade

Re: Request For Extension of Voluntary Suspension

On Monday 2 July 2018 Greenpower Energy Limited (ASX: GPP) requested a voluntary suspension for up to 2 days pending the release of an announcement relating to a proposed acquisition.

The Company now requests an extension of the voluntary suspension of up to 2 days to Thursday 5 July 2018.

This further extension will allow GPP to finalise the compliance reporting requirements in respect to the proposed acquisition and then release a detailed announcement, lift the suspension and resume trading.

The Company is not aware of any reason why the suspension should not be granted, or of any information necessary to inform the market about the suspension.

Yours Faithfully
