WestStar Industrial Limited (“WestStar” or “the Company”) is pleased to advise that its engineering and mining services contractor subsidiary SIMPEC Pty Ltd (“**SIMPEC**”) has been awarded a second order with BHP Billiton Iron Ore Pty Limited (“**BHP**”) for the **South Flank Iron Ore Mine**, 130km north-west of Newman, Western Australia.

This order follows on from SIMPEC conducting a Constructability and Estimate Review Desktop Study for BHP on this project (refer to ASX announcement of 8 February 2018). The total value of orders from BHP to date are ~\$450k.

Under the scope of the current order, SIMPEC will provide expert engineering services directly to BHP in relation to efficiently completing the Ore Handling Plant area.

SIMPEC Managing Director Mark Dimasi noted:

“We are pleased to be working with BHP on South Flank and look forward to this early involvement in the Project translating into further works.”

WSI Director Bert Mondello noted:

“It’s a testament to the SIMPEC team that they have forged a direct partnership with BHP in less than 12 months of operation.”
