### Submission of Environmental Permit Application for Full Scale Mining at Fäboliden

Dragon Mining Limited (ASX: DRA) (“Dragon Mining” or “the Company”) is pleased to confirm that it has submitted an application to the Land and Environment Court to secure an Environmental Permit for full scale mining operations at its Fäboliden Gold Project (“Fäboliden”) in northern Sweden.

Dragon Mining’s Executive Director, Mr Brett Smith stated that this represents a major step forward as the Company continues to work on the development of Fäboliden. With the recent granting of a permit to undertake a program of test mining at Fäboliden, the Company will now look to commence test mining activities during the September quarter. The test mining phase will provide important information to the Company in relation to the mining and processing of material from the Fäboliden deposit in readiness for full scale mining.
