Dear James,

REQUEST FOR TRADING HALT

In accordance with ASX Listing Rule 17.1, Legend Mining Limited [**ASX Code: LEG**] requests that an immediate trading halt be put on its securities pending the release of an announcement to the market regarding exploration results from drilling at the Company's Rockford Project.

Legend Mining is seeking the trading halt to assist in managing its disclosure obligations in relation to exploration results from drilling at the Company's Rockford Project and maintaining an orderly market in the trading of its ordinary shares and to ensure that trading does not take place in an uninformed market.

The Company requests that the trading halt end on the earlier of the commencement of trading on Friday, 22 June 2017 or when the anticipated announcement referred to above is released to the market.

Legend Mining Limited is not aware of any reason why a trading halt should not be granted, nor of any other information necessary to inform the market about the trading halt.

Prior to the commencement of trading in its securities, Legend expects to make an announcement regarding exploration results from drilling at the Company's Rockford Project.

Yours sincerely

Tony Walsh
Company Secretary
