

3 July 2018

## **ASX ANNOUNCEMENT**

### **China Telecom**

China Telecom has advised NetLinkz Limited (ASX:NET) that the Company's product will be launched in August 2018 in three new cities in the Jiangsu Province.

The current sales made by China Netlinkz to China Telecom's customers in Wuxi has confirmed to China Telecom that the Company's IP is an integral part of its cloud strategy (called Cloud Switch) to small to medium enterprises (SMEs) in China.

Mr Yang CEO of China Netlinkz stated that this launch represents the next phase in the sales strategy for the Cloud Switch, and is an important step towards the roll out across China.
